

Ningbo OstBridge Automation Co.,Ltd

info@ostbridge-tech.com

From Year 2015, our team focus on building up a network of components from worldwide high-quality industrial suppliers to serve customers in fields of precise motion control, electronic control, automation and hydraulic system.

With years of understanding in dealing with customers specific needs of different application, we aim to become a professional team to provide industrial products. We enable ourselves to have the following capabilities:

- To offer quickly respond to customer inquiries and give professional advice
- To choose specific items according the technical parameters
- With faster and flexible delivery term
- With good price conditions

Hydraulic Line

REXROTH Valve amplifier VT, VT-VRPA
